INTRODUCING THE
RAIN DROP TOP COVER

1.800.323.5246
STANDARDTEXTILE.COM

We’re pleased to introduce the **Rain Drop Top Cover**,
the updated version of the trusted Cumulus® Top Cover.

While the look and performance remain unchanged, the Rain Drop Top Cover is **now 2 inches shorter** in length—a subtle design change that helps reduce material usage and lowers cost. This update results in a price decrease into distribution, delivering smarter value without compromising operational efficiency. It’s a small change with a meaningful impact on your bottom line.

Rain Drop Top Cover Benefits – Quality You Can Count On

Available direct through Standard Textile, or via select Wyndham-approved FF&E replacement distributors and full service Procurement Providers, the Rain Drop Top Cover continues to offer the same operational advantages:

- Wash-activated patterning for a clean look—no ironing required
- Lightweight construction to help reduce drying times and energy use
- Color-coded, center-lock labels and balanced hems to streamline bed making
- Stain-resistant finish to help extend product life and maintain guest-ready presentation

The Rain Drop Top Cover meets brand standard #700.03.02 (Guest Bedding) as the required Cumulus® Top Sheet for Days Inn® by Wyndham, Howard Johnson® by Wyndham, Microtel Inn & Suites by Wyndham®, and Travelodge® by Wyndham. It also qualifies as an alternate option for Ramada® by Wyndham and Baymont® by Wyndham.
