

## Register Now: Emergency Lodging Assistance Can Help Your Hotel Generate Revenue This Storm Season

With storm season upon us, **now is the time to register** for the Emergency Lodging Assistance (ELA) program to ensure your hotel is eligible to generate revenue from FEMA housing-approved displaced residents.

### FEMA's ELA Program Overview, coordinated by Corpay Lodging (formerly CLC Lodging)

- There is ***no cost*** to take part in the program.
- A ***contract is not required*** and setting up an ELA account ***does not commit you*** to providing rooms or special rates to displaced residents.
- The ELA program can help generate ***revenue*** during periods of activation.
- Participation means your hotel is positioned to ***help your community*** during declared disasters.
